Together, We Connect and Equip

Kansas Disciples are growing into a new vision! Throughout the region, major efforts are made to nurture and support those who are following a call to parish ministry. Monthly clergy meetings and an annual retreat are two of the ways we do this.

Church leaders continue to have opportunities for spiritual growth and leadership training including boundaries training, workshops, retreats and webinars on a variety of subjects.

We are working together to combat systemic racism and promote reconciliation. Through a grant from the Kansas Bible Chair, we are developing leaders and training them in anti-racism/pro-reconciliation missions.

We are moving forward with plans to establish a regional ministry position of New Church Ministries. In doing so, we are prioritizing new church plantings, growth, and missions.

Disciples Women programs continue to provide opportunities for leadership growth and fellowship through events such as Spirit Fest and fall retreats. Moving forward, we seek to strengthen Disciples Men programs with a goal to equip and empower men for ministry in their congregations, in the region and beyond.

The region's summer camping program equips our future church leaders and establishes friendships that go beyond their time at camp. Youth spring retreat, mission trips, and IAS trips build on faith as participants live out what they have been taught.

Regional communications ministries continue to evolve as we connect you to Disciples across Kansas and beyond from the regional and camp websites and social media pages to the *Kansas Messenger*.

These are some of the many opportunities for connecting and equipping our Kansas Region. The 2020 Christmas Offering is an opportunity for you to invest in these ministries. All funds given to this offering remain in Kansas and support regional ministry.

In this season of Advent hope, remember the regional church in your prayers and offerings that we together might strongly meet the opportunities of being a regional church in 2021. On Dec. 13 and 20, support these ministries and more through the Christmas special offering. Give generously through your congregation, your Engage account, or at kansasdisciples.org/give.
